

ALL IN FOR CARP KIDS

MARCH 13, 2025

ABOUT THE EVENT

Our All In For Carp Kids Breakfast is an opportunity to learn about and celebrate the impact we're making for children and families in Carpinteria!

This free event brings together community members and supporters to reflect on the evolving needs of local families and how Carpinteria Children's Project is responding with our programs and support. Guests will hear from inspiring speakers, including a keynote address on dual language immersion, as well as an update on CCP's impact and vision for the future.

All proceeds will go toward CCP's general operating fund, enabling us to continue providing quality early education, family support services, and community resources.

Join us in raising awareness about the challenges families face and discover how you can help create a stronger community by supporting CCP.

OUR MISSION

Carpinteria Children's Project connects families to early education, quality care, diverse resources, and support services necessary for their children to thrive, flourish, and succeed.
